Approved as amended by the Master's Program Faculty Meeting on March 15, 2012
Approved as amended by the School Affairs Meeting on March 15, 2018
Approved as amended by the School Affairs Meeting on June 21, 2019

Article 1

Graduate students who have completed the **Nursing Research** course may apply for a research proposal review. The following documents shall be submitted at the time of application:

1. One copy of the Research Proposal Review Application Form (**Appendix 3**).
2. One copy of the applicant's complete academic transcript.
3. One copy of the Qualification Form for Thesis Research Proposal Review Committee Members (**Appendix 4**).
4. One copy of the draft research proposal.
5. A certificate of current or previous employment documenting at least one year of work experience.

Article 2

The Research Proposal Review Committee shall consist of **three members** nominated by the thesis advisor and approved by the Director of the School of Nursing.

Committee members should preferably hold a Ministry of Education-recognized academic rank of associate professor or above. Alternatively, they may hold a doctoral degree, possess a Ministry of Education-recognized academic rank of assistant professor or above, and have experience teaching courses related to the thesis topic. The thesis advisor shall serve as an ex officio member of the Committee.

Article 3

The School Office shall accept applications for research proposal review once each semester.

Application deadlines shall be announced by the School Office. The **oral examination for the research proposal must be completed by the twentieth week of each semester.**

Article 4

Upon receiving the research proposal, the Review Committee shall convene a review meeting.

Following the review, the thesis advisor shall submit the **Thesis Proposal Review Form (Appendix 5)** to the School Office for registration and recordkeeping.

Article 5

After the research proposal has been approved, the graduate student must obtain approval from the Institutional Review Board (IRB) before commencing data collection.

Article 6

These Regulations shall be promulgated and implemented upon approval by the School Affairs Meeting. The same procedure shall apply to any subsequent amendments.

Regulations Governing Degree Conferral and Degree Examinations

Approved as amended by the School Affairs Meeting on May 17, 2007
Approved as amended by the Master's Program Faculty Meeting on April 3, 2008
Approved as amended by the Master's Program Faculty Meeting on May 6, 2010
Approved as amended by the School Affairs Meeting on March 15, 2018
Promulgated by Official Letter No. 1130008785 on June 13, 2024

Article 1

To establish standards governing degree examinations for graduate students, the School of Nursing (hereinafter referred to as “the School”) has formulated the **Regulations Governing Degree Conferral and Degree Examinations for Master's Students in the School of Nursing** (hereinafter referred to as “these Regulations”) pursuant to the **China Medical University Regulations Governing Degree Conferral and Degree Examinations for Graduate Students**.

Article 2

Master's students in the School who meet all of the following requirements may apply for the master's degree examination:

1. The student has completed the research proposal review. The research proposal review and the master's degree examination may not be conducted in the same semester.
2. The student has completed the number of credits required by the master's program.
3. The student has completed the master's thesis.
4. The student has obtained the approval of the thesis advisor.

Article 3

The degree examination shall be conducted in accordance with the following procedures:

1. Application for the degree examination
The application deadline for the degree examination shall be announced by the School. The following documents shall be submitted in hard copy at the time of application:
 - (1) Degree Examination Application Form.
 - (2) Oral Examination Committee Member Credentials Form (**Appendix 4**).
 - (3) Original official transcript covering all years of study.
 - (4) Letter of recommendation from the thesis advisor.
 - (5) Abstract of the master's thesis.
 - (6) Thesis similarity-check report: Chinese-language theses shall be checked using the Airiti Thesis Similarity Detection System, and English-language theses shall be checked using Turnitin. For the hard-copy submission, only the similarity-check results need to be printed; the full text of the thesis does not need to be attached. The cover page of the similarity-check report must be reviewed and signed or stamped by the thesis advisor.
 - (7) Original Graduate Student Declaration of No Violation of Academic Ethics (**Appendix 9**).
 - (8) Any other documents required under University regulations.
2. Submission of the thesis to the oral examination committee
Members of the oral examination committee must receive the master's thesis at least two weeks before the examination.
3. Completion and submission of examination forms
During the degree examination, members of the examination committee shall complete the **“Degree Examination: Thesis Oral Examination Scoring Form”** and the **“Degree Examination: Thesis Oral Examination Overall Score Form.”**
The examination results shall be submitted within one week to the School for filing and to the Office of Graduate Student Affairs for registration. In all cases, the results must be received **no later than January 31 for the first semester and July 31 for the second semester**.
4. Format of the oral examination

The oral examination shall last two hours. The first hour shall be an open session, during which the graduate student shall present the thesis and answer questions from attendees. The second hour shall be a closed session, during which the oral examination committee shall ask questions and determine the examination grade.

Article 4

After passing the thesis degree examination, the student shall submit the completed final version of the master's thesis. The thesis may be sent for printing only after the student has obtained the **Thesis Approval Form (Certificate of Passing the Degree Examination for Master's Degree Candidates)**.

Article 5

To complete the University clearance procedures, the student shall submit two softbound copies of the thesis to the University's Library and Information Center. An electronic copy shall be retained by the School.

A student who has not submitted the thesis by the end of the maximum permitted period of study shall be deemed to have failed the degree examination and shall be dismissed from the University in accordance with the applicable regulations.

Article 6

A student who has passed the degree examination and completed all of the procedures specified above shall be awarded the degree of **Master of Science (M.S.)**.

Article 7

Any other matters shall be handled in accordance with the **China Medical University Regulations Governing Degree Conferral and Degree Examinations for Graduate Students**.

Article 8

These Regulations shall be implemented after approval by the School Affairs Meeting and the College Affairs Meeting, review and approval by the Academic Affairs Meeting, and promulgation by the University President. The same procedure shall apply to any subsequent amendments.
